Mk7 BATTLE LIGHT

INTEGRATED SHOTGUN WHITE LIGHT LED 350 LUMENS / REPLACES MAGAZINE CAP

STEINER 
Nothing Escapes You

MAINTENANCE:

- Never use strong cleaners or solvents on housing.
- Use soft towel and soapy water to clean external housing.
- Use damp towel to clean internal battery compartment. Excess moisture inside battery compartment may damage unit.
- Use alcohol and soft towel to clean front window.

STEINER HERITAGE™ WARRANTY

We are committed to building optics that never need service. However, should one become damaged or defective, for any reason other than theft or deliberate misuse, we will repair or replace it at no charge - no questions asked. That's our promise to not only you, but to all those who will own your Steiner optic after you.

- No warranty card needed
- No receipt required
- Fully transferable - from generation to generation

The Mk7 Shotgun Tactical Light features a stunning 350 lumen LED in a sleek, compact package. The Mk7 offers the ability to remove the pump stock tailcap from your shotgun and replace it with Mk7 adapter to integrate Mk7 light directly into the shotgun without having to replace the pump stock.

FITS

- Benelli M4 (M1014)
